

Aikido Friendship Seminar in Matsusaka Japan 2015

“Aikido Friendship Seminar in Matsusaka Japan 2010” was very successful and all the participants from Australia, Italy, Singapore, Russia, U.S. and Japan shared a wonderful time at the seminar instructed by Koretoshi Maruyama, president of Yuishinkai Aikido International and Minoru Oshima, president of Kodokai Aikido International, both of whom used to be Koichi Tohei’s best students.

4 years will have passed in May this year and I know many people have been hoping the 2nd Friendship seminar will be organized. And I have decided to organize it next year and both Maruyama sensei and Oshima sensei have agreed to instruct us in the seminar.
